

# Study Abroad in Belize

**Early bird application deadline: May 5<sup>th</sup> – Get \$50 off your program cost!**

## Health Students: Travel 10-14 days in January, 2018

With a population of a little over 300,000, Belize strives to provide their citizens with health services with limited finances. There is a growing need for quality health services, such as nursing, dental care and physical therapy. Students will explore Belize's healthcare services and educate Belizeans in the area of healthcare. Also, students will learn about natural healing and herbal medicine used in Belize.
